

# Safe-T-Guard™ Bar Grates

- Designed to fit nearly flush with the top edge of SPC's areawalls.
- Prevents potential fall hazard of open wells.
- Manufactured from 3/16" x 3/4" steel strip bars set 2" on center welded to 3/16" x 1" bar frame.
- Painted with industrial gray primer for rust resistance.
- Available in Straight, Round or Casement styles.
