

Warranty

Window Wells

Lux-Right™ Warranty

St. Paul Corrugating Co. warrants Lux-Right™ brand Areawall products for a period of thirty years* to be free from defects in manufacture and to be in conformance with our quality control standards. All products must be installed according to manufacture recommendations. Warranty responsibility is limited to replacement cost of material only. Installation of any non-ventilated cover product preventing air circulation over galvanized metal will void all warranties.

STONEWALL™ Warranty

St Paul Corrugating Co. warrants STONEWALL™ products for ten year warranty* covering manufacturing defect. Limited to product replacement cost.

*Ufer Grounding

Homes with Ufer grounding and any improper electrical system grounding voids all claims for corrosion. All metal products must be isolated from stray electrical current. The use of non-vented covers also void all warranty claims.
