

Terrace-Step™ Egress Wells

Providing an attractive option for emergency exit egress. The Terrace-Step™ Areawall enhances basement use by “up scaling” the most cost-effective egress system available.

Contractors, and those who supply them, will appreciate SPC’s exclusive one piece installation. The superior strength and fast installation of our exclusive spot-weld construction saves time and trouble.

TERRACE-STEP™ MODEL	WINDOW WELL SIZE				MODEL	SAFE-T-VIEW™ COVER
	WIDTH	DEPTH				
		TEIR 1	TEIR 2	TEIR 3		
ETC4244	42"	36"	40"	44"	ETC4244-60	SV4244
ETC5544	55"	36"	40"	44"	ETC5544-60	SV5544

SPC originated the step wall concept and manufacture sizes that meet your local egress code. National egress codes require 36" projection full height.

These Terrace-Step™ areawalls have full 36", 40" and 44" terraced projection to meet contemporary egress codes.
